Itinerary

1 Vancouver, B.C – Cruise Embarkation – At Sea to enjoy Onboard Amenities and Activities

Welcome to Vancouver! Nestled between the ocean and mountains, this modern city offers a variety of activities for you to enjoy before boarding your cruise. Cruise check-in will commence starting from 11:00 AM (Check-in slot will be advised after booking confirmation) from the Canada Place Cruise Terminal and the cruise will depart at 4:00PM local time. Once onboard, your experience will begin with a welcome drink and orientation of the ship's restaurants, amenities and services. After settling into your stateroom, why not take the opportunity to explore the ship, sign up for activities and unwind in one of the many bars and restaurants onboard. (D)

2 Inside Passage, Alaska - At Sea to enjoy Onboard Amenities and Activities

Sail beyond the Inside Passage into the more protected Alaska Inside Passage in Southern Alaska. Home to diverse wildlife-orca, mountain goats, bald eagles, bears, puffins, sea otters and more - the complex labyrinth of fjords and bays are where whales and sea lions find refuge during the summer months. You'll never forget the sight of 40-ton whales hurling themselves into the air, almost completely escaping the water. If you're especially lucky, you could see them swimming together to create a bubble net, trapping and eating fish by the giant mouthful. (B, L, D)

3 Icy Strait Point, Alaska

For thousands of years, the Tlingit Indians have called Icy Strait Point home. Located near the city of Hoonah, and home to a historic cannery, Icy Strait Point also offers travelers the chance to view wildlife like humpback whales, orcas, seals, eagles, and brown bears, or to explore monuments to the region's fishing heritage. Enjoy shore excursions from 1:30PM to 9:00PM. (B, L, D)

4 Hubbard Glacier - At Sea to enjoy Onboard Amenities and Activities

Today you will have unrivaled views of the famous Hubbard Glacier which is a tidewater glacier off the coast of Yakutat, Alaska in the Alaska panhandle 200 miles northwest of Juneau. Hubbard Glacier is the largest calving glacier on the North American continent. The glacier routinely calves off icebergs as high as 10-story buildings, sending massive blocks of ice into the sea every few minutes. (B, L, D)

5 Juneau, Alaska

Juneau is the capital of the U.S. state of Alaska, located in the Gastineau Channel and the Alaskan panhandle. Juneau is many things: a mountain town, a coastal community and the most scenic capital city in the U.S. A natural wonder, wildlife hotspot and cultural jewel, Juneau is rich in history, art, music and Native heritage. The Mendenhall Glacier, a river of ice measuring 1.5 miles in width and over 6 miles in length, is part of Juneau's Icefield, 1500 square miles of ice that feeds 38 glaciers. Enjoy shore excursions from 7:00AM to 7:30PM. (B, L, D)

PRICE INCLUDES
